

WAKE UP, AMERICA!

CIVILIZATION CALLS EVERY MAN WOMAN AND CHILD!

MAYOR'S COMMITTEE 50 EAST 42ND ST

A painting of a starving woman and child in front of a wooden wall. The woman is emaciated, with her ribs visible, and is holding a small, equally emaciated child. She is pointing her right arm towards the text. The background is a yellowish, textured wall. The overall tone is somber and desperate.

Be a Trained Nurse

The minimum educational requirement is one year of high school work. The profession, however, offers almost unlimited opportunities for high school and college graduates. During training the students receive full maintenance, also books, uniforms and a monthly allowance of \$25.00. Free elective post-graduate courses are open to the graduates.

The schools in the Department of Public Welfare, New York City, also Bellevue School, afford the best of facilities for a broad general training.

Address the Principal of the following registered Schools for further information:—

Bellevue Hospital School, East 10th Street	New York City
City Hospital School	Backbay, New York City
Convent of St. Vincent Hospital School, Convent Street, Brooklyn, N.Y.	
Kings County Hospital School	Clarkson Street, Brooklyn, N.Y.

HIS LIBERTY BOND

PAID FOR IN FULL

This boy has made his last great sacrifice. Are we, as Americans, doing our part? In buying Liberty Bonds we can provide the money necessary to sustain and protect our other boys who must take his place in the trenches. Let us do our duty and do it quickly.
